

## *A Pre-Inventory Prayer*

*God:*

*Please come into me and direct me. show me your will.  
Help me see beyond what I think I know about myself.  
Show me your truth; the real truth about myself.*

*God please give me the patience, tolerance, faith, strength  
and courage I need to do this work. Remove my fears of  
what I may find out about myself.*

*Help me God ... Help me to see and experience the truth  
about myself.*

*Amen*
