### **FAIR SHARE CAMPAIGN 2009**

Cleveland Central Intergroup promotes the welfare of Overeaters Anonymous (OA) and its members in Northeast Ohio. In 2008, CCI responded to telephone inquires, media information requests, provided information to health care and other professionals, kept the meeting list available and up to date, sent delegates to Region V and World Service Business Conferences, published our H2H newsletter and sponsored recovery events. The *Fair Share Campaign* is a chance for **every** OA member to make a difference.
