{note: contact data for website and printed intergroup list does NOT have to match, provided the difference is deliberate.
Use NO-ok for this situation.}

WHEN ATTENDING A MEETING FOR THE VERY FIRST TIME, WE URGE YOU TO CALL FIRST!!! Please bear in mind that keeping a list of 100+ meetings (covering seven counties) current is no easy task. For the sake of brevity, we have not listed meeting formats, or information such as daycare or handicapped accessibility (*we have tried to include 'hospital' in the address, as a rule, all hospitals are accessible to people with disabilities*). To update this list Please notify your Intergroup, and they will forward the information to the list editors. For meetings in the: 312, 331, 630, 708, 773, 815, 847 & 224 areas: Contact OA at 708-346-0000. The websites www.oa.org, or www.region5oa.org, also have information about meetings & upcoming events. About this list: Some of us travel all over the area for work, and we have to fit our meetings in around our jobs. Some of us are trying to do 90 meetings in 90 days. Some of us just like to hit different meetings. As some of us missed the old 7-County list, we got together and made a new one, compiling information from the four Intergroup meeting lists. We have deliberately left our names off of this list. If something needs to be changed, please work through your Intergroup, someone should know how to reach us.
