

Convention Committee Report Region 5
7/16/22

Opening Prayer: Serenity Prayer

Attendance: We had 17 people in attendance including myself and my co-chair Preston.

Approval of June Minutes: Minutes were approved.

Discussion: We discussed how often we will be meeting as we get closer to the event date. We will continue with our 3rd Sunday of the month large group meetings and our small group subcommittee meetings that are meeting for the most part once a week. Invites to these meetings will be sent to Kerry and Preston so we can also attend in order to have full transparency of information. The Zoom Aides subcommittee meetings will include an invite to our DCC as well.

Hospitality: Hospitality has nine volunteers; they need 10-12 total. Please register for the Convention and indicate if you are available to help with greeting our registrants as they enter the convention.

Programming: Fourteen out of 21 speakers are in place. Please register for the Convention and indicate if you are available to be a speaker so the Programming Committee can increase their bank of possible speakers.

Zoom Co-Hosts: There are a lot of people with Zoom skills willing to help. We have a new Zoom Aides chair, Mike F.

Newcomer Room: We already have 3 people that have indicated they are new and literature subcommittee members are reaching out to them now.

Registration: We have 78 registrants as of July 15th.

Volunteers: We are beginning to contact registrants and assigning them service opportunities based on their registration form.

Next time: Our next large group meeting will be August 21 is the 3rd Sunday of the month. We have a Zoom Aide's Training session in August and subcommittees will continue to meet between large group sessions.

Closing: We closed with the serenity prayer just in time for the room to close.
