

Media Committee Report

Summer Conference

July 16, 2022

After talking about renaming the newsletter to "Recovery is Alive in Region Five" we changed directions.

We've decided to review our committee description in the "Policies and Procedures". We will meet on August 23, 2022 at 7:00pm CT/8:00pm ET to start this process.

We hope to have a count of how many times our articles have been read.

If you have problems or issues with the website, please let us know so we can pass it on to get fixed,
