

Hi All,

Finally getting to see you all in one room. I am looking forward to seeing everyone. It has been a long time. Since the last time we met, the world as we knew it, has changed. Sometimes it feels like it's upside down. My whole world has changed. I had a back surgery and have been learning how to exercise the right way, not just the way that I think it should be. I think my HP has a sense of humor; I have said all my program that I hate to exercise. Everyday is a learning experience, a new lesson.

A lot of changes on the region chairs committee: new chair (of the region chairs committee), vice chair, secretary and digital coordinator (makes sure that the calendar is up to date). When the chairs meet, we are responsible for the "Forum" workshop at WSBC, assist other regions if needed and much more. There were/are going to be new chairs and we also sponsor them to help get up to speed. Whom ever is the chair for the next 2 years will be busier than the last 2 years with everything being virtual. I thank you all for the opportunity that I have had being your chair for the last 2 years, it doesn't feel like it was that long ago.

We have gotten the results from the convention survey, I am looking forward to sharing them with you. The convention was a HUGE HIT!! Everyone that went loved it!! The convention committee worked really hard on this convention even though it was virtual. I saw all the work they did in motion at the convention. It ran like a smooth machine. Hosts, cohosts, leads, moderators... it was awesome! I want to thank the convention committee for all the hard work that you did. It was awesome and fun. Thank you, thank you.

Hugs to you all,

EILEEN C
