

REGION 5 VICE CHAIR REPORT MARCH 2023

We are coming up on our 2nd Region 5 Assembly face to face since covid. I'm sure I speak for all of us that were at the October 2022 Assembly when I say it was so exciting to see all of you in person. Many of you I had only met on Zoom.

It has been so amazing for me these past several years to participate in Region Assemblies; first as a representative of my Intergroup and for these past 3 years your Region 5 Vice Chair. As my mentors in OA have told me "God does not call the equipped, but equips the called. It's on the job training as all service positions are from our groups, intergroups, and region. Believe me I'm still learning and hope to continue serving and learning. The Region Vice Chair has been perfect for me in my journey of continued service and growth. I pray and hope that many of you will consider placing yourselves in the running so you can experience the excitement, love, and fellowship. We can't do it alone, none of us can, but as our motto says " We can do together what we could never do alone ".

Getting back to the upcoming assembly, I'm really looking forward to have the opportunity of reviewing our goals for the coming year and what subcommittee's you all want to focus on. Be sure to review the smart goals in your packet which gives great guidelines to follow. I always found it comforting to also have samples in our packets to help with our reports and note taking. We will be deciding to continue with current subcommittee's or focus our attentions "Outside the Box" . Let's all see what we come up with.

See you all in March

Your Trusted Servant
