

Convention Committee Spring 2024 Assembly Report

WELCOME HOME: Many Symptoms, One Solution

Greetings all and welcome to Cleveland, Ohio!

The Convention Committee as a whole last met January 16, 2024. Our next meeting is scheduled for February 20 @ 7:00pm EST via Zoom. Our Decorations, Registration(s), and Program subcommittees have been diligently meeting monthly. Our Greeters met last Thursday and will continue to meet throughout the next few months. Our Registration Finance and Registration Table Committees have decided to meet together, monthly.

We have chosen Assembly weekend to launch our registration form on to the Region 5 and World Service websites and hope that all of our Region 5 intergroups will do the same for their websites. We have set up a system for mail-in registration but greatly encourage on-line registration. Registration is scheduled to begin on April 1, 2024, and is noted on the registration form.

Other accomplishments: Our program has been drafted and is being prepared to send to the board for approval. The DJ is reserved for Saturday night dancing. Table centerpieces have been planned and other decoration ideas are in the works. Registration packets are being planned and pricing for printing is being researched and compared. We have put together a flyer requesting raffle baskets which we will distribute along side the registration forms at Assembly.

We still need volunteers: There is still so much to be planned and done. Publicity, Marketing, Marketplace are in need of help, and we can always use help in all of planning. The Convention Committee of the Whole meets every 3rd Tuesday of each month via Zoom @7:00pm EST,
