#### Packet B Combined Print Document

- In January we recommend reviewing Packet A online, to allow for updates, and then waiting to print both Packets when we released Packet B. Please note that there are updates to some Packet A documents: A01, A02, A10, and the Packet A Combined Print Document. Be sure to print these most recent versions.
- We also **highly** suggest reviewing all the Packet A and Packet B materials before the business of the Assembly starts on Saturday morning.
- Please note that we added Packet page numbering at the TOP of the Combined Print Document PDF
  pages and blank Packet break pages, to assist with finding documents during the sessions. When
  searching for these new top of page reference page numbers, please ignore any numbering that appears
  at the bottom of the pages (those numbers are native to the original individual documents). The R5

#### **PACKET B PAGE 2**

Chair will read out the packet page numbers during the Assembly and also provide long pauses for attendees to find the correct documents.

o The Board hopes these measures will help with using the Packet documents during the Assembly.

If you have any questions, please don't hesitate to email me.

Thank you.

**REGION 5 CHAIR** 

Good morning, all!

I am having a lot of feelings about this year. This is my last year as Chair of our region, WSBC (as Chair), and all the other things that I am doing as chair of the region. These past few years has been a wonderful experience for me and my recovery. Being Region chair has helped me to understand the bylaws, traditions and the concepts better than I could ever imagine. I really enjoy working with all the people that makes our OA program what it is.

I have seen so many changes in our program over the years. When I started in the early 80's, things were very different and the program was big, lots of younger people (me included), everyone was willing to pitch in. As time does, everything has changed in my OA program (as a whole). No longer do we have the people begging to do service positions, take the key for the church, running for board positions, Trustee. Yes, some of the committees from region and wsbc require us to do work outside the normal meeting time. Our board (region) meets once a month, region committees sometimes meet monthly or bimonthly, and WSBC committees sometimes meets monthly. Don't forget that I need time for recovery in for my recovery program. I have been wondering what is happening to oa since Covid. Lots less in person meetings, virtual meetings are growing fast. Virtual is great, but I also need the hugs, meetings sitting is a chair in the hall outside of a convention, talking to someone who has just figured out who they are after hearing the most incredible lead that is going to change their life forever. I just have to remember that times change and I have to change too if I am going to survive on this planet and in the program.

We have 3 positions that are coming open in the fall: Region Chair, Treasurer and Trustee. I can remember when we sent 3 people to run for R5 Trustee from our region, so exciting. Are you our next board member? Region rep? WSBC Delegate? If you are interested in any of the positions, look in the bylaws and policy and procedures manual to see if you qualify for the positions. It's very exciting to be in the thick of everything. I am on the Forum (chair committee) committee at World Service, meeting with the Board of Trustees, and we are all working together to make OA strong. Together we get BETTER!

Don't forget that we are having our region assembly in Independence Oh, on March 8-10. Are you going to be there?

See you soon,

Eileen

P.S. Reminder that Region 4 is folding, we are going to be getting more intergroup to join Region 5. More will be discussed at R5 assembly. So EXCITING!

#### **Vice Chair Report**

I have been participating in Region 5 Assemblies for a long time as a Representative and as a Chair of my Intergroup. I love to attend Assemblies and to meet with all of you from different Intergroups across Region 5. When I come to Assemblies I get to see my OA family.

I thank you for the honor of serving as your Vice Chair. Service is important to my abstinence and program. I am still learning the position. I have heard some wise words about service in groups, Intergroups, and Region "God does not call the equipped, but equips the called. I see this as an opportunity to learn and grow following Deanna on this pathway of service.

I am looking forward to the Assembly March 8th, 9<sup>th</sup> and 10<sup>th</sup>. We will be reviewing our goals for the coming year and determining what subcommittees are worthy of our attention. Be sure to look over the sheets on smart goals which we will focus on to find the best subcommittees to serve our needs. I find it helpful to have copies in your packet to keep track of suggestions in the brainstorming session. From the last Assembly I remember we will be changing one subcommittee so you may want to be thinking about a new area of program to direct our energies.

Remember to spread the excitement about the upcoming convention "Many Symptoms, One Solution" September 6 – 8, 2024 in Cleveland at this hotel.

Your Servant,

Kevin F., Region 5 Vice Chair

### Treasurer's Report Spring 2024 Assembly

Welcome to those who are new Region 5 Assembly representatives and to those who are returning representatives. I am so glad and grateful that you are here to give service and carry our message of recovery to those who still suffer, both in and out of these rooms.

As Treasurer I maintain the finances of our Region and I can tell you that they remain robust. I have included the 2023 final financial statements in this packet. The results show a negative balance of expenditures over income of \$10,000+. This was a planned deficit to reduce the extra money in our prudent reserve. For 2024, that goal is a deficit of \$22,000. This will bring our savings down to the level the Finance Committee feels is an appropriate prudent reserve. Our primary expense is our donation to the World Service Business Office general fund.

I have also been working with the 2024 Convention registration committee. This year to keep costs down we set up an all-inclusive registration and food rate. This allows us to offset the cost of the meeting rooms and any food or drink we supply. The Convention will be here in this hotel September 6-8, sponsored by the Cleveland Central Intergroup. They are also hosting this weekend's Assembly and we thank them for their service and hospitality. We hope you will all walk away excited about coming back in September!

This is my last year as Treasurer, so I have worked hard to simplify things. We moved the finances to Quickbooks Online last year, which allows us to easily enter deposits and expenditures and then reconcile them to the checking account. It also has a budget function that means I don't have to fill in a bunch of Excel spreadsheets! I may be a nerd but Keep It Simple has become my Treasurer's motto!

Thank you for letting me do Service –

Linda P.

#### **Convention Committee Spring 2024 Assembly Report**

WELCOME HOME: Many Symptoms, One Solution

Greetings all and welcome to Cleveland, Ohio!

The Convention Committee as a whole last met January 16,2024. Our next meeting is scheduled for February 20 @ 7:00pm EST via Zoom. Our Decorations, Registration(s), and Program subcommittees have been diligently meeting monthly. Our Greeters met last Thursday and will continue to meet throughout the next few months. Our Registration Finance and Registration Table Committees have decided to meet together, monthly.

We have chosen Assembly weekend to launch our registration form on to the Region 5 and World Service websites and hope that all of our Region 5 intergroups will do the same for their websites. We have set up a system for mail-in registration but greatly encourage online registration. Registration is scheduled to begin on April 1, 2024, and is noted on the registration form.

<u>Other accomplishments</u>: Our program has been drafted and is being prepared to send to the board for approval. The DJ is reserved for Saturday night dancing. Table centerpieces have been planned and other decoration ideas are in the works. Registration packets are being planned and pricing for printing is being researched and compared. We have put together a flyer requesting raffle baskets which we will distribute along side the registration forms at Assembly.

<u>We still need volunteers:</u> There is still so much to be planned and done. Publicity, Marketing, Marketplace are in need of help, and we can always use help in all of planning. The Convention Committee of the Whole meets every 3<sup>rd</sup> Tuesday of each month via Zoom @7:00pm EST,

#### I HATE ROBERTS RULES OF ORDER

Roberts Rules is an essential tool for any nonprofit organization. It doesn't matter if you "make a motion" in our Assemblies or in your committee meetings. About 80% of all volunteer association's Bylaws state that they will use Roberts Rules to run their meetings.

Roberts rules can seem too formal and stuffy for some people. But the rules can be adjusted to the needs and "personality" of your organization. The important thing is to have a process by which you run meetings and accomplish the work that is before you. The more you repeat this process, the more efficient your meetings will become and the more effective you will be at accomplishing your mission. Just remember, you don't need to be an expert, you just need some ground rules.

### **Roberts Rules Are A Road Map**

Roberts Rules will help give our meetings structure by giving us a proven process to follow during our meetings. There are procedures within Roberts Rules that will help us run meetings in an efficient and professional manner. Meeting Minutes Made Easy

It can be difficult to track what is being said at a meeting when the conversation strays from the topic. By using motions, in accordance with Roberts Rules, the tracking of meetings becomes easier to document. And straying off topic, a common problem for many boards, becomes easier to recognize and correct.

### **Everyone Has A Voice**

The process of Roberts Rules ensures that everyone has an opportunity to speak on a topic. A good meeting facilitator will use Roberts Rules to check in with every person at the table and give them the chance to speak.

It can also limit the number of opportunities someone can speak on a topic. The idea of limiting the number of times members can speak on a topic has advantages:

- Members will learn to be more on point and thorough when it is their turn to speak.
- It can quicken the decision-making process without sacrificing the opportunity to share information.
- It can help prevent members who are determined to have the last word from repeating the same points over and over.

#### **Roberts Rules Means Freedom**

I know it sounds funny to think that a more formal process will result in more freedom, but it is true. Anyone who has run a meeting, at some point, has found themselves more caught up in the "running the meeting" than actually paying attention to what is being discussed. But with a

firm grasp of Roberts Rules, the meeting facilitator can relax and let Robert Rules run the meeting for them. This will allow them to play a more active role in the meeting itself.

### **Keep it Simple**

It doesn't have to be hard. Here are 5 simple steps to making a motion.

The steps in presenting a motion:

- 1. A member obtains the floor and makes a motion. If you have a specific format for a motion, it will be useful. Region 5 provides formats for you. See Packet A Pages 104 111 for the different motion types. The format is generally the same whether it is a Bylaws, Policy, or Standing Rules motion. Most motions made stay within the Committee and are not motions for the Assembly.
- 2. Another member seconds the motion.
- 3. The chair states the motion. It is important to restate the exact wording of the motion to keep everyone clear on what is being discussed. It also helps to keep things on track and specific to the motion at hand. Other ideas most likely will warrant a separate motion and can be put off while discussion the current motion continues for continuity.
- 4. Members debate the motion. Keep in mind **debate does not necessarily mean adversarial**. There are times when a motion is just too broad or too specific and needs to be word smithed to address ambiguities. For example, if a motion says "no tape recorders" can be used during a meeting, it may be better to say "no recording devices" can be used during a meeting.
- 5. Before voting, make it clear if it is a simple majority, some number or percentage of votes, or unanimous. This will eliminate hard feelings later. The chair puts the motion to a vote.
