

Region 6 Vice Chair Report

March 6 & 7, 2026

It is an honor to serve as your Vice Chair. I am learning the new responsibilities of working with hotels. I share the position with a hotel liaison at the city where the convention is held. It has been a great help, since I am so far away from the site of the convention. I am grateful for all the help that I have received. I am looking forward to an in-person Assembly October 23 to 25 in the fall.

The Region 5 Convention is celebrating the twelve freedoms. It is in the planning stages. I am looking forward to the convention in Indianapolis at the Crown Plaza Hotel at the Airport. It is a beautiful hotel with great spaces for meeting rooms and dining. Think about how you can participate in the excitement of the convention by doing service.

Remember to spread the word about OA. Think of ways to bring the OA message to people who haven't heard about us.

In Recovery,

Kevin Firme
