### **Treasurer's Report – Spring 2026**

Hope this report finds you well and warm. What a winter. I am looking forward to seeing everyone at the Spring Assembly. I want to thank you for your donations to Region 5. We had a good year and were able to donate \$10,000 to the WSO.

Your contributions make it possible for us to maintain and enhance the work we do in Region 5. Every dollar you give ensures that our programs, outreach, and support services continue to thrive. We deeply appreciate your commitment and dedication to the OA community.

I want to share with you that I meet with other Regional Treasurers from all over the world every other month. This has been a growing experience for me. Most of our issues are similar. It is so helpful to ask others how they take care of their financial issues.

Some of the issues we have discussed are prudent reserve, finding individuals to take the treasurer position, non-profit requirements and useful websites. Some of the attendees are new to the job and others have years of experience.

At the Assembly we will be discussing some updates to the budget, possibility of a bymonthly meeting with treasurers of the intergroups in our region and a friendly audit by the finance committee.

See you in March.

With gratitude,

Barbara H., Region 5 Treasurer
